1. **You must book your appointment online at www.hulleastridingfertility.co.uk/bookings** for your sample drop-off slot or to produce your sample at our on-site facilities.
2. Deliver the sample within **THREE hours** of production to the Hull Andrology Laboratory, Hull & East Riding Fertility, Hesslewood Office Park, Ferriby Road, Hessle, HU13 0JA
3. Avoid intercourse for at least 48 hours (not more than 7 days).
4. The sample should be hygienically obtained by masturbation & ejaculated into the container provided. Do not use a condom or lubricant. A complete, single sample is required. If you have problems or objections producing a sample by masturbation, please contact the laboratory on 01482 689040 or email andrology@hullfertility.co.uk.
5. The sample should be protected from extremes of temperature and kept as close to body temperature as possible (20°C-37°C).
6. A free car park is situated at the front of the Hull & East Riding Fertility services.
7. Please ensure that the information for date/time of collection, abstinence, complete sample, training consent, Vasectomy Surgeon's name and signature are entered on the form. Your name and DOB must be written on the container.
8. **Samples received outside of your booked appointment, or without a signed referral card, or a fully labelled specimen pot will NOT be processed.**
9. The results of the test are sent to your Surgeon and cannot be given out over the telephone.
10. We do not accept high-risk viral positive samples.
