We are moving!

Hull & East Riding
Fertility
Ferriby Road,
Hessle,
East Yorkshire,
HU13 OJA.

Relocating to a new state-of-the-art Andrology facility

The Hull Andrology Unit will soon be relocating to a brand new state-of-the-art clinic located near the Humber Bridge within the Hesslewood business park.

The new location means the clinic will more readily accessed from Hull, North and East Yorkshire and Lincolnshire and will provide dedicated free parking adjacent to the clinic for exclusive use by patients.

The building is expected to be completed **August 2021**; full details will be communicated once the completion date has been finalised; including new request cards, patient map and user guide.

Patients can keep up-to-date with progress via our website; www.hullivf.org.uk

Please alert patients booking appointments from May 2021 onwards to check location details on their confirmation email.

We anticipate no interruption to Andrology services during this relocation. Reports will continue to be delivered within the allocated time-frames.

Please contact us with any questions or queries on enquiries@hullivf.org.uk
